

## Biography Oldřich Hozman

Architect Oldřich Hozman (b.1964): study of carpentry and a graduate of architecture and furniture design he has also studied Feng Shui and the subtle energies of the landscape. In addition he has also studied eurythmy, anthroposophic art therapy and Goetheanistic sculpture and sculptural renderings of the seven capitals and columns of the first Goetheanum. He has offices both in Dornach and in the Czech Republic. His work incorporates the principles of holistic architecture, the subtle forces of nature, and geomancy. He focuses on healthy building materials and designs low-energy and environmentally-friendly buildings. He teaches courses in modelling and carving organic goetheanistic forms, and lectures internationally on topics such as holistic, anthroposophic and organic architecture, the twelve senses, and healthy architecture for schools and learning. To read more about Oldřich and his work please go to his website ([www.arc.cz](http://www.arc.cz)).

STIFTUNG PLASTIKSCHUL-IMPULS

## Anthroposophical Furniture Design

**Design your own piece of wooden furniture, from the idea to the production, under the guidance of an experienced architect and furniture carpenter. During the course, you will learn and receive assistance with:**

- Designing your own furniture
- Drawing up a production drawing
- Learning how to design and make basic carpentry joints
- Calculate the amount of material and the ability to select and purchase wood
- Work with hand carpentry tools and basic machine tools
- Make your own furniture with the help of a lecturer
